AERIAL ARTS WORLD CHAMPIONSHIP IN ARUBA

MEET MISS BEC & MISS SHAE :)

Miss Bec is the founder and owner of ADCS and the driving force behind the school. Her grit, determination, and passion have built a space where aerialists can grow, challenge themselves, and discover what they are truly capable of. With the help of Miss Shae our Head Coach, these powerhouse duo guide students in the air and help shape these incredible artists. With their knowledge, support, and dedication to technique and performance, they help each aerialist find their confidence and shine. Together, they combine vision, strength, and expertise to create an environment where athletes are supported, challenged, and inspired to reach new heights.

ABOUT OUR ATHLETES & TEAM

AERIAL ARTS WORLD CHAMPIONSHIP IN ARUBA

MEET ELLA

Age: 11

Apparatus: Lyra

Ella is an athlete who has truly fallen in love with the world of aerial arts. She feels incredibly lucky to have discovered a sport that challenges her, inspires her, and allows her to express herself in the air.

Ella lives by the motto: “Dream big, but work harder.”

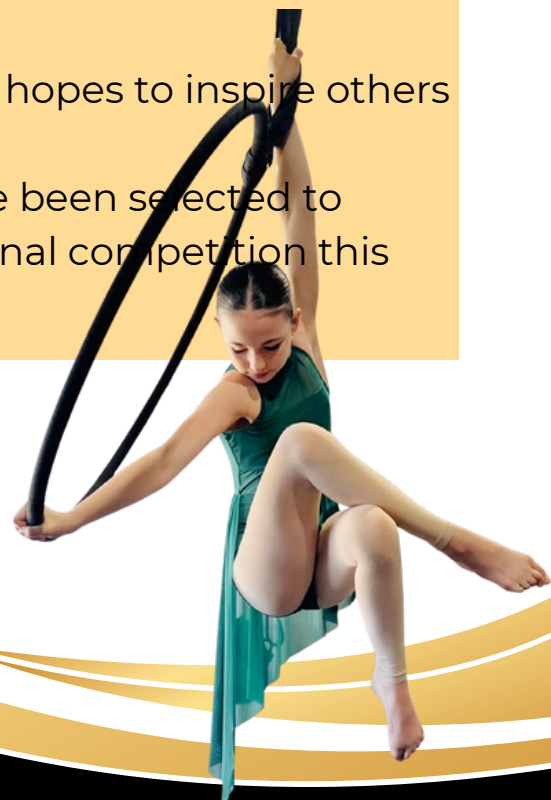

In 2023, Ella began her aerial journey learning silks, and in just a short time she has already completed two full competition seasons.

Through dedication, determination, and countless hours of training, Ella has achieved incredible success, earning three National Titles in 2025 across Hammock and Silks.

Ella’s growth and achievements reflect not only her commitment and hard work, but also the supportive training environment she is fortunate to be part of at ADCS.

Ella truly loves this sport with all her heart and hopes to inspire others to chase their dreams just as boldly.

She is incredibly excited and honoured to have been selected to represent Team Australia at her first international competition this August.

MEET BIANCA

Age: 12

Apparatus: Hammock

Meet Bianca.

Bianca started climbing on the day she learned to walk, and she hasn't really stopped since. At 4 she started learning gymnastics and at age 7 she discovered her true love of aerial arts when she joined Aerial Dreaming Circus School in 2022. Over the last 4 years Bianca has competed in 10 Bend the Air Competitions, bringing home 11 medals, including 1st place for 8-10 years Silks at the Nationals in January 2025. Bianca has competed using silks, hammock and lyra. When Bianca is not training at ADCS 'shed', she is swinging from her rig at home in her backyard. Bianca loves performing for an audience and has a fantastic sassy stage personality, with her enjoyment showing on her face in every performance. Aerial has become her passion, she is dedicated to her training and always striving to improve, while having fun with her aerial 'family'. Bianca currently has a busy training schedule as she is training to compete on the hammock at Bend The Air Sunshine Coast in April, but she has also been selected to represent Australia and ADCS at the International Aerial Arts World Championships in Aruba in August 2026. Good luck Bianca!

Bianca also completed a 12 month scholarship program with ADCS in 2025.

ABOUT OUR ATHLETES & TEAM

MEET HAYLEA

Age: 13

Apparatus: Silks

Meet Haylea

Haylea is 13 years old born and raised in the Gympie region, at just 3 years old she joined her first dance class where she quickly became obsessed with being on stage and performing. One Tuesday morning in early 2022 she asked her mum what else can I do like dance? One quick google search later and that afternoon she began her first class. Haylea quickly discovered this is her passion feeling most at home in the air performing and training on tissue (silks). She entered her first Aerial competition in 2024, and through hard work and dedication she worked through the sweat and tears landing the 2026 scholar, first place at Nationals and the amazing experience of national representative for team Australia.
